### Label-ade includes many unique Hawaiian designs

Over 25 designs, one for most any need. See back.

### Label-ade is fast

Your labels are printed in approximately 5-7 business days.

### Label-ade is professional

Labels are printed on ultra matte coated label paper for richer colors from print-industry inks that are UV dried for water resistance and longer life. Label-ade is professional grade labeling that works on food packaging, bottles, boxes, envelopes, equipment, medicine containers, party favors, clothing – almost any solid product or item.

### Label-ade is value

You save. There are no art, typesetting, die, or set-up charges.

### Label-ade is useful – how many apply to you?

- Personalize and commemorate celebrations and events such as anniversaries, first birthdays, weddings, yakudoshi, and retirement parties. Apply to favors, invitations, gifts, center pieces, o-kaeshi (return gift giving). Use for name tags, children's activities or events.
- Market or brand your business, product or services, and provide contact and other information.
- Get to market faster with quick Label-ade labels for product trials and launches.
- Create a favorable impression and give visual credibility to fundraiser items and events.
- Add a finished touch to your handmade gift or product.
- Customize greetings and other messages on gifts and favors for special occasions and holidays.
- Create your own adhesive label to identify, address, inform, promote, celebrate, personalize, direct, caution, organize, decorate, seal – for nearly any use.
